Highlight of the week: Reception

The Highlight of Reception's week this week has been learning all about the artist Andy Goldsworthy! Goldsworthy is a British artist, known for his sculptures and photography. He is an environmentalist, which is someone who wants to protect the environment around them. Andy makes sculptures with natural materials on sites in the UK and around the world. He has made them in forests, fields, cities, lakes and fields. They are known as land art.

Reception has been making their own Goldsworthy inspired art using natural resources! We have been doing this inside and outside the classroom! Here are some photos of our artwork.
